Subject: Change to Allow Extraction of Longwall Panel #22, West Ridge Resources, Inc., West Ridge Mine, Permit C/007/0041, Task ID #3989

Dear Mr. Shaver:

The above-referenced amendment is conditionally approved upon receipt of 6 clean copies prepared for incorporation. Please submit these copies by January 26, 2012. Once we receive these copies, final approval will be granted, at which time you may proceed with your plans. A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan (MRP). A revised permit document will also be sent to you at the time to reflect the additional acres added by this permit change.

If you have any questions, please call me at (801) 538-5325 or Steve Christensen at (801) 538-5350.

Sincerely,

Daron R. Haddock
Coal Program Manager
